

WELCOME TO THE SUPER GAME OF BUTTON PUSHING!!!

In this game, you will be given a score that is the same as every other team. Each team will get a chance to press a button, and each button does a MYSTERIOUS HAPPENSTANCE to one or more of the team's scores. Some buttons are GOOD and make you score BIGGER. Others are MEAN and PUNCH YOU IN THE FEELINGS!! Teams will take their turn in a random order each round. If you don't press a button before time runs out, a button will be pressed for you at random. The team with the highest score after 5 rounds will be the winner! Pay attention to how the buttons affect the scores, and you might just win! Also, at the start of each round, a song will play from the winning team's game (except for the first round).
